

SmartStartAllergy

Website Disclaimer

About This Website

The information on the SmartStartAllergy website is provided for the purpose of disseminating information in relation to SmartStartAllergy as a service to the public. By accessing or using this website, you agree to the terms of our website, set out below. The terms of use include our disclaimer and any other terms on this website. We may change the terms of use at our discretion and without notice. By continuing to use our website, you accept the terms of use as they apply from time to time.

Information on the SmartStartAllergy website is independently developed, published, managed, and updated on a regular basis.

We regularly review the information presented on our website and [welcome any comments](#).

Copyright

This website is protected by intellectual property laws (including copyright). SmartStartAllergy claims copyright ownership of all information, data, documents, pages, and images on this website unless expressly stated otherwise. You must not copy, republish, sell or redistribute, or otherwise exploit the contents of this website without the prior written consent of SmartStartAllergy.

Privacy

SmartStartAllergy takes your privacy seriously and any information provided through your use of the SmartStartAllergy website is subject to our [Privacy Policy](#).

Cookies

Our website uses cookies. A 'cookie' is a small file placed in your web browser that collects information about your web browsing behaviour.

SmartStartAllergy uses tools provided by third parties that utilise cookies, such as Google Analytics, to review website traffic information. Information collected may include the IP address of the device and information about sites that IP address has come from, the pages you visit on our site and the previous site visited. We use this information to maintain, secure and improve your online experience.

You can opt out of Google Analytics data collection by using the Google Analytics Opt-Out Browser Add-On.

General Disclaimer Information

While the information contained in this website has been presented with all due care, SmartStartAllergy does not warrant or represent that the information is free from errors or omission.

The information on this website is made available on the understanding the SmartStartAllergy and its employees and agents shall have no liability (including liability by reason of negligence) to the users for any loss, damage, cost or expense incurred or arising by reason of any person using or relying on the information and whether caused by reason of any error, negligent act, omission or misrepresentation in the information or otherwise.

Accuracy of Information

While the information is considered to be true and correct at the date of publication, changes in circumstances after the time of publication may affect the accuracy of the information. The information may change without notice and SmartStartAllergy is not in any way liable for the accuracy of any information printed and stored or in any way interpreted and used by a user.

The information and materials on this site are made available on the understanding that they do not constitute professional or expert advice.

Links to other websites are inserted for your convenience and do not constitute endorsement of material at those sites, or any associated organisation, product or service. It is the responsibility of the user to make their own decisions about the relevance or accuracy, currency and reliability of information found on those sites.

Medical Advice

The information provided on this website is provided for information purposes only. If you are a patient using this website, you should seek assistance from a health care professional when interpreting these materials and applying them to your individual circumstances.

If you have any concerns about your health, consult your general practitioner. Information provided on this website does not imply endorsement of third-party services or products and cannot provide you with health and medical advice.
